Delivery is available for free within Blirstown and a \$10 fee outside of Blirstown. Live further away but want to take advantage of this CSA? Member Agreement I understand that there are risks involved with farming and that, despite the best efforts of the farmer, all items listed may not be available. At times, substitutions for specific items may be made without notice due to the nature of the growing process. I understand that I am sharing the rewards and risks inherent in agriculture, which means that in years of environmental or weather constraints, members may receive more of one crop but less of another. It is possible that some crops will partially or wholly fail due to weather, pests, and other factors. Failure to pick up my share during the scheduled pick up time and day constitutes forfeiture of that share. By signing below, I am acknowledging that I have read and agree to the above terms and that I understand that CSA membership is a season long commitment.
